- Give location and phone number (address and cross streets)
- Give specific directions to the location of the patient
- Answer all questions and follow the dispatcher's instructions
- HANG UP LAST (only after the dispatcher has hung up)

---

## Documentation

- Injury or illness of a SCYR athlete or referee must be documented and reported to the Player Welfare Program Manager
  - o Christine Mitchell [cmitchell@socalyouthrugby.org](mailto:cmitchell@socalyouthrugby.org)
- Injury or illness of a parent, coach, or spectator must be documented and reported to the Club Program Director

## Lightning Safe Structure

This should be a fully enclosed grounded building that teams and spectators can be evacuated to. If a structure of this sort is not available, enclosed metal vehicles can be used as an alternative.

## Concussion

Any athlete suspected of sustaining a concussion must be removed from participation and may not return to play that day. An athlete may not participate unless they have been cleared by the Player Welfare Program Manager in Match Apt and are on the match report.

## Reminders:

\*Home team is to provide injury ice\*

\*Each team should have a med kit on site\*

\*EAP should be posted on site during any practice or match\*

\*All coaches and team admin should be familiar with the EAP prior to any practice or match\*
